

Agenda item 024

Proposal to Full Council:-

That, following revisions resulting from our own NP Regulation 14 Public Consultation and other advice received from various bodies:-

1) the revised Southwell Neighbourhood Plan is ready to go to NSDC for Review and Regulation 16 Public Consultation.

2) the relevant documents be placed on the STC website for public access.

The Revised Plan and other documents, (including a summary of the changes since the July23 consultation version) are available on the STC server which can be accessed here.

Login name: neighbourhood plan, **Password:** Apple\$np1

Once in the server, click on File Station then STC-NAS / STC Neighbourhood Plan / upload / Review/ Files for May24 Council.

The documents listed in the Evidence Base are in a folder of that name in the Review folder.

Comments received from our own Public Consultation are in STC-NAS / STC Neighbourhood Plan / Responses. There is also a draft report of the Public Consultation – Consultation Report-v2.
