

# SOUTHWELL CIVIC SOCIETY

Chairman: John Loughton

## **Balancing Heritage and Growth**

Thursday 24th October 2024 at 8.00 pm  
Southwell Library.

Following the formal business of the Civic Society AGM, you are cordially invited to join a presentation by David Turnock and Ian Green, chairs of Peterborough and Oxford Civic Societies respectively, on 'Balancing Heritage and Growth'. They will introduce us to a report recently produced by the Alliance of Historic Cathedral Cities and Towns and other partners funded by Historic England on the planning issues and challenges confronting heritage communities such as ours here in Southwell and on how Civic Societies might best work with Planning Authorities in influencing their outcome. David and Ian will focus also on current political changes/NPPF/Local Plan updates and the impact that district-wide changes might have on the settlement of Southwell. They are keen to take on board any local issues affecting us here and this promises to be a very lively session.

The presentation will start at 8.00 pm.

There will be a cash bar and a charge of £5 for non-Civic Society members.
