MODEL FINANCIAL REGULATIONS FOR LOCAL COUNCILS

This Model Financial Regulations template was produced by the National Association of Local Councils (NALC) in April 2024 for the purpose of its member councils and county associations. Every effort has been made to ensure that the contents of this document are correct at time of publication. NALC cannot accept responsibility for errors, omissions and changes to information subsequent to publication.

Notes to assist in the use of this template:

- 1) This document is a model for councils of all sizes to use to develop their own financial regulations, suitable for the size of the council and the activities it undertakes.
- 2) Bold text indicates legal requirements, which a council cannot change or suspend.
- 3) For the rest, each council needs to adapt the model to suit its size and structure. For example, some councils have both a clerk and RFO, possibly with several more staff, while others have a single employee as clerk/RFO. Some councils have committees, some have a high level of delegation and some make all decisions at full council meetings. Many now use online payment methods, but others still rely on cheques.
